

Thermal DacomPad™ with ZQ520 Zebra and Dolphin 99EX Honeywell The new innovative solution for the route accounting

Ergonomic and
easy to handle

Rugged and
resistant

Just 2,5 kg weight
with 315 x 305 mm
dimensions

All-in-one mobile station including Honeywell mobile terminal
Honeywell Dolphin 99EX and Zebra Technologies ZQ520 thermal printer

HONEYWELL DOLPHIN 99EX MOBILE TERMINAL TECHNICAL SPECIFICATIONS

- . **CPU** Texas Instruments OMAP3715
1.0GHz processor
- . **Operating System** Microsoft Windows
Embedded Handheld 6.5 Professional and
Classic
- . **Memory** 1GB discrete NAND flash x 256
MB RAM
- . **Display** Chemically strengthened 3.7"
transflective active matrix glass display, VGA
(480X640)
- . **Keyboard** Backlit 55-key alphanumeric, 43-
key alpha shifted numeric, 34-key numeric
shifted alpha
- . **Communications** RS-232/USB 2.0/audio
out/charging connector, integrated IrDA port
with support for SIR mode
- . **Wireless options** WWAN: UMTS/HSPA+;
quadband GSM/GPRS/EDGE; dual band
EV-DO/CDMA support for dual SIM card;
WLAN 802.11ab/g/n; WiFi; WPAN Security;
WPAN: Bluetooth® V2.1; Integrated Assisted
GPS (A-GPS)
- . **IP 67 rated**
. Withstands multiple 1,8 mt drops – Exceeds
2000 (1 mt) tumbles
- . **Battery** Standard Li-ion, 3.7V, 3060mAh -
Extended Li-ion, 3.7V, 5000mAh
- . **Dimensions** (W x L x D) 6,9 cm x 21,5 cm x
3,9 cm
- . **Weight:** 520 gr.
- . **Operating temperature** -20°C to 50°C ;

ZEBRA THERMAL ZQ520 PRINTER TECHNICAL SPECIFICATIONS

- Print method** Direct thermal
- Resolution** 203 dpi/8 dots per mm
- Print speed** Up to 127 mm per second
- Max print area** 104 mm
- IP54** Certified for resistance to windblown
water and dust
- Communications:** USB
- Optional** Bluetooth 3.0 / 802.11b/g Multiport
radio
- Operating temperature** 20°C to 55°C
- Power by Battery** 2600 mAh, 7.4V.
- Height** 158 mm
- Width** 155 mm
- Depth** 67 mm
- Weight** 630 gr.
- Graphic features** Standard Fonts: 25
bitmapped, 1 smooth, scalable
