

Apex *i* Durable Mobile Receipt Printer

The Apex *i* series is an ideal lightweight and economical solution for portable receipt printing needs in today's dynamic and open architecture environments. The new Apex *i* is compatible with Apple iPhone®, iPad® and iPod® using iOS 5, iOS 6 and iOS 7 and is easily connected via Bluetooth®. The Apex *i* meets your needs without sacrificing on quality or performance.

Designed for mobile workers—utilizing Apple® iOS devices, the Apex *i* portable printers include a simple drop-in paper system that allows users to quickly replace paper rolls and a high capacity battery with easy charging options. Its light weight and compact design allows the Apex series to be worn comfortably on the belt or with a shoulder strap during long work shifts. These user-friendly features mean you can go through your busy day knowing the Apex *i* printer will keep up with you.

The affordable Apex *i* offers the features you need, without the costly extras found in other products. The Apex *i* comes standard with wireless communication, fast print speed, ample memory and fast processing power and can keep pace with printers costing twice as much. The Apex *i* is also available with an optional magnetic strip card reader.

*The Apex *i* series has over-molded rubber bumpers for extra durability and has been validated in IEC68 certified labs for operating temperature, storage temperature, humidity, shock and vibration.*
